

MANUFACTURERS OF QUALITY STAINLESS PRODUCTS

STAINLESS
FABRICATORS, INC.

MANUFACTURERS OF QUALITY STAINLESS PRODUCTS

Founded in 1986, keeping Integrity in mind, Stainless Fabricators Inc. has grown into one of the Country's Leading Manufacturers of Quality Custom Architectural Metal Products. Specializing in Ornamental Railing Systems, Stainless Fabricators Inc. is diverse in design capabilities, from the most challenging to the basic; SFI can produce systems fitting any budget to be delivered with Supreme Quality on each and every project.

- Stainless Steel Railing Systems
- Aluminum Railing Systems
- Glass Railing Systems
- Stainless Steel Cable Railing
- Perforated/ Mesh Railing Systems
- Custom Laser Cut Products
- Smoke Baffle/Draft Curtain System

SFI stays on the "Cutting Edge" of technology with CNC Machining and Laser Cutting to the latest in 3D CAD Design. We take pride in being an American born company that provides American Quality, from Design to Installation. Unlike others, we manufacture our own parts and provide materials from right here in the U.S.A.

Stainless Fabricators Inc. specializes in Custom Fabricated Railing Systems made in: Stainless Steel, Aluminum and Mild Steel. We provide top quality products at very competitive prices.

Most products are available in 304 or 316 alloy Stainless Steel (any specified finish); Aluminum (mill finish, anodized or powder coated), and Mild Steel (powder coated) in a color of your choice. Fast on time deliveries and reliable service guarantees Stainless Fabricators as the dependable source for your specialty fabrication needs
